RE: Raw Material Hemp Seed Extract

To Whom it May Concern:

This letter references an inquiry regarding THC in Australian Gold, LLC Hemp Nation product. The hemp oil comes from the seed which is known to not contain THC.

The hemp seed oil contained in Cannabis Sativa (Hemp) Seed Oil, produced by Integrity Ingredients, acts as an emollient (skin conditioning) function.

Should you need further information, please do reach out to us and we will comply.

Thank you.

Kindest Regards,

Brenda Rhodes
